

Ronnie Record

fuufnf@ronrecord.com • 831-xxx-xxxx •
522 Laurent Street, Santa Cruz, CA 95060

Specialties: Time Dilation, Party Host, Freeform Dancer,
Dream Nudger, Existential Absurdist, Raconteur

Education

- *Ph.D. Mathematics, University of California, Santa Cruz*
Research in applications of dynamical system theory including models of marine snow, the Italian economy, cell morphogenesis, and population dynamics. Developed a software laboratory for algorithmically detecting the boundaries of basins of attraction in a chaotic dynamical system.
Erdős number: Four
Thesis Advisor: **Ralph Abraham**

Accomplishments

- **Kissed Grace Slick**
- Hosted Timothy Leary's 64th birthday party at Family Student Housing, UCSC, October 22, 1984
- Co-Authored Rainbow Family P.E.A.C.E. Village proposal rejected by U.S. Dept. of Interior
- Invited Richard Nixon to the Rainbow Gathering
- **Found my bowling ball** in an abandoned Victorian in Gainesville, Florida
- Managed SCO softball team to two second place finishes in the slow pitch 'D' league
- Bobby Darin and Nancy Sinatra invited me and my brother into Bobby's hotel room
- Touched Mickey Mantle's forearm hair
- Bought a drink for Harry Dean Stanton
- Fired from University of Florida for giving everyone 'A's
- Hitchhiked from Seattle to Enid without ever needing to stick out my thumb
- “We've got a naked hippie reading science fiction by candlelight in the rain” - call by cop after being discovered in azalea bushes
